

The Token Hunter National Utah Token Society

Next Meeting: Mar. 23, 2023 7 PM

Columbus Community Senior Center, 2531 S. 400 E., SLC 84115

President's Message

Hello club members!

I can't believe it's already been another month! Time is flying and the weather is finally starting to warm up. Before anything else today, I wanted to just publicly thank Todd and Glen for their continued support and help with their raffle donations. I haven't known either of them for too long, but the passion that they have for the hobbies and wanting to make sure everyone is having fun is a big part of what makes the club so great. I also wanted to thank everyone who came out last month, I definitely had fun getting to talk to you, and getting to hear from Bob. I didn't know that there was such a big problem with counterfeit tokens, but it made sense the more I thought about it.

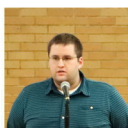

This month is going to be a special day for a few reasons! First, the one that many of you have been looking forward to for months, is the return of Finds of the Month. Everything that you have been able to find since November is fair game, and eligible to be voted on. My wife and I recently just closed on a house that was built in 1972, which means that there is a lot history there waiting to be dug up. Hopefully I'll have something cool enough to be voted for this month!

The next important thing about this month is the return of Marble March. We will be watching an informational video on the history of marbles that I found very interesting, and then we are going to be leaving the rest of the evening up to you! We want this to be a show and tell format where anyone will have a short time to show off and talk about their collection. The theme is marbles, but it would be fun to see any kind of niche or special collection you have such as bottle caps, toy cars, foreign coins, etc. The theme is a little bit different in the fact that we usually have a main speaker, but this is one of the only times during the year that everyone will get to participate and show off the things that they are passionate about. Before doing my research for this month's meeting, I had no idea there was such a passionate group of people that collected and preserved marbles so I am excited to see what kind of stories and lessons we have in our own club.

I wanted to remind everyone again, that if you have not already, membership dues for this year are due. We have hundreds of membership cards ready and signed just waiting to go out to a good home. Also, if you have signed up and paid, but not yet received your card please see us in the next meeting and we can get that to you right away. These membership cards are your tickets to all the fun things we have planned throughout the year, and now that the weather is warming up we are getting ready to kick off some really fun things! I hope everyone has a great weekend, and we will see you on Thursday!

Steven Cuthbert

President of the National Utah Token Society

Membership for 2023: \$20 Individual, \$30 Household, \$10 Junior

Shylo Blue Fridleifson

Steven told about the coin grading system's history. How Sheldon used a scale from 1 to 70 to help him calculate pricing of coins, which is in use today as a coin's condition.

Bob announced the Ogden coin show in Layton. If you are interested in displaying your collection please fill out the form and turn it in several days before the show.

He also announced the auction of the Kelsey token collection at the next token show. Bob told about the token dies that Irv Ratcliff had collected (about 3000) and what the problems it causes for collectors.

How to Earn Christmas Tickets

- 1 for monthly signed attendance log,
- 5 Additional tickets for 100% attendance
- 1 for bringing treats (dessert and drink),
- 1 for being an officer/wagon master each month,
